

Oops! I spoke too soon. We have to go on some more about color: the orange color car, the red color car, the orange color bike, the orange sunset, etc.  
This statement is about more car and bike issues.  
Car and bike is not a mass-transit system. Driving a car is different from riding a bike. How about this for the rest of the document:  
Gregor then turned to look out the window at the dull weather.  
Drops of rain could be heard hitting the pane, which made him feel quite sad. How about if I sleep a little bit longer and forget all this nonsense, he thought, but that was something he was unable to do because he was used to sleeping on his right, and in his present state couldn't get into that position.
